

## Listeners Get Listened To

*To the tune of Rudolph the Red Nose Reindeer*

Tommy the bouncing kid-do  
Had a very lazy ear  
He could not make it listen  
Whenever a toy was near

He would go from game to toy  
Whenever Mom read aloud  
His neighbors said “He’s just a boy.”  
But mother found the real truth out

When Tommy’s birthday came about  
He had so many ideas  
He would have told them all to Mom

But he couldn’t get them clearly out

Now when adventure’s nearby  
He tunes a listening ear  
This gives him words to steer by  
When he talks you’ll want to hear!
